SARAH SULLIVAN

Biography

Sarah Sullivan is a second-generation real estate investor, visionary founder and owner of SuGo Capital. As CEO, she spearheads a thriving investment company that forges connections between investors and prime passive income opportunities..

At the core of her mission is a commitment to demystifying the investment landscape. As the founder and host of The Confident Investor educational series and the Women's Wealth Show, Sarah extends a hand to those navigating the world of investing, ensuring they have the knowledge and support they need to thrive.

With an open call for exceptional speakers to teach her investor community, Sarah is dedicated to creating a space where expertise is shared and learning is celebrated. If you have wisdom to impart in the realm of wealth management, she's eager to connect and bring your voice to her community!

Under her strategic leadership, SuGo Capital has flourished, with over \$800 million in acquired assets and maintaining an impressive 30% average annualized return for investors. The company's trajectory is one of exponential growth, a testament to Sarah's visionary approach and relentless drive. Before stepping into her role at SuGo Capital, Sarah honed her skills in cybersecurity and engineering program management. Today, she brings that same level of precision and excellence to the world of real estate investment.

In her spare time, she loves to practice and perform the Aerial arts, rock climb and take the road less traveled - wherever that may be - with her husband and two daughters.

TIM CHAFFIN

Biography

Tim Chaffin is a distinguished figure in the realm of real estate education, boasting an impressive 23-year tenure as a master mentor for Legacy Education Alliance. Throughout his illustrious career, Tim has guided and mentored scores of real estate educators, leaving an indelible mark on the industry. His influence has extended to a staggering 1400 students at the \$30,000 Level, a testament to his expertise and commitment.

Overcoming health challenges and academic setbacks, he excelled in the arena of track and field, setting the stage for his future accomplishments. Tim further honed his skills by earning degrees in computer science and business from the esteemed Penn State University.

Tim's foray into entrepreneurship was marked by a diverse range of ventures. He founded businesses in DJ services, video production, and fitness centers, showcasing his versatility and determination to succeed. It was in the realm of health and fitness that Tim truly found his calling, ultimately ascending to the ranks of professional bodybuilding. Unfortunately, his career was cut short due to injuries, but this setback only fueled his entrepreneurial spirit.

In the domain of real estate investing, Tim emerged as a true luminary, owning and operating over 25 thriving businesses. His expertise and success in this arena have earned him international recognition as an expert mentor and trainer. Tim's ability to impart knowledge and empower others has solidified his status as a revered figure in the real estate education sphere.

Beyond his professional achievements, Tim remains committed to leaving a positive legacy. He continues to invest in various ventures, mentor students from around the globe, and instill his core values of hard work and perseverance in his own family.

WHITNEY SELLERS

Biography

Philanthropy Real Estate Expert, International Real Estate Entrepreneur, Author, Elite Coach & Housing for Purpose Bootcamp Trainer

Whitney is the daughter of Tim Chaffin & Wife of Dane Sellers. She is a new mom, licensed realtor in the state of Florida and a nationally known professional speaker where she teaches people how to invest in real estate while using it as a vehicle to help others.

She has a passion for helping people and a background in broadcast journalism, so together with her skillset and desire to help others, she speaks and advocates for a life with second chances. Her whole philosophy is to use real estate as a way to provide second chances to vulnerable populations. Her desire to give comes from her story of overcoming depression after seeing friends and family members struggle with drug and alcohol addiction and life after incarceration.

She and her husband develop real estate as a business and volunteer with multiple non-profit organizations across the state of Florida where they live. They started Whitney's Place, a re-entry and recovery housing provider in Palm Beach County, Florida in 2020.

SCOTT MEYERS

Biography

Scott Myers, based in Indianapolis, Indiana, is the driving force behind a company exclusively focused on buying and selling Self Storage Facilities across the Continental United States. Unlike many educators, Scott stands out because he not only imparts knowledge but practices what he teaches. He has owned and operated multiple self-storage facilities and managed various construction and development projects, creating a unique blend of expertise and hands-on experience.

Scott's journey in the real estate industry began in 1993 when he invested in a home study course by one of the top "Gurus" in the country, learning how to invest in real estate with no money down. Unlike others who might have left the course untouched, Scott delved into the materials, watching the tapes and reading the manuals diligently. To his delight, the strategies he learned worked wonders – he successfully purchased his initial investment real estate for \$30,000 with absolutely no money down.

Scott Myers' remarkable success story serves as an inspiration to aspiring real estate entrepreneurs, showcasing the practical application of knowledge and determination in achieving financial milestones within the industry.

TALIYA BASHANI

Biography

Ms. Bashani began her career in Real Estate originating residential loans for refinances and purchases in 2002. After learning the dynamics of the residential mortgage market and financing process, she decided to further her career by pursuing law school and specializing in Real Estate Law.

Ms. Bashani earned her law degree from Washington University in St. Louis and is licensed to practice both in New York and New Jersey. She commenced her legal career working for a midtown law firm in Manhattan and focused heavily on residential real estate law. Ms. Bashani was handling up to 50 closings per month for the firm when she decided to leave and start her own practice.

Through her extensive experience and diverse background, Ms. Bashani opened her doors in 2007 on Wall Street catering to many first time home buyers, sellers and foreign investors. Her primary focus continues to be residential real estate law representing buyers and sellers in the transfer of coops, condos, new construction and single family properties throughout NYC and the outer boroughs. She also drafts and files Offering Plans for new construction development condominiums, and represents several lenders as bank attorney in closings for Citibank NA, Wells Fargo Bank, Bank of America, Citizens Bank, TD Bank, and other national lenders. Finally, Ms. Bashani provides educational seminars and teaches first time home buyer seminars as well as real estate agents and brokers in various real estate law topics and negotiation tools for their weekly sales meetings, lunch n learns and state certified Continuing Real Estate education classes.

Whatever your needs may be, TAB Law Firm PC is happy to assist you in your real estate sale or acquisition and provides a free 1 hour consultation with no obligation for all clients.

ERICA MULLER

Biography

Erica Muller is a distinguished figure in the real estate industry, boasting over two decades of experience specializing in vacation rentals and investment properties. Her journey began in an era before Airbnb became a household name, and she has since become a leading authority in the field.

With an unwavering passion for helping real estate investors make strategic decisions, Erica founded Vrolio, a data and inventory company dedicated to Short Term Vacation Rental (STR) investing. Under her guidance, Vrolio has become a beacon of knowledge and a trusted resource for investors seeking profitable opportunities, even in less conventional markets.

In today's ever-changing economic landscape, Erica firmly believes in looking beyond popular markets. She has a keen eye for identifying hidden gems like Augusta, GA, and Springfield, MO, which offer significant returns for various stay classes. Erica is an advocate for a multifaceted approach, understanding that the one-trick-pony method is no longer viable in the dynamic world of real estate investing.

Beyond her impressive track record, Erica has demonstrated a remarkable ability to adapt and thrive in diverse market conditions. Her extensive experience in real estate, combined with a deep understanding of investor psychology, sets her apart as a trusted advisor and mentor.

Erica Muller's dedication to empowering investors and her innovative approach to real estate investment have positioned her as a trusted authority in the industry.

EDWARD RUSHING

Biography

Edward "Buddy" Rushing is a decorated combat veteran who has transformed his challenging beginnings on food stamps into a journey of generational wealth and national impact. A graduate of the U.S. Naval Academy with a degree in Aerospace Engineering, Buddy served as a Marine Officer on multiple combat deployments, demonstrating his unwavering commitment to service.

Beyond his military career, Buddy founded White Feather, a company dedicated to helping military and veteran families achieve financial freedom and live the American Dream they defended. Through White Feather, he has facilitated nearly \$250 million in real estate deals, trained over 350 military veterans in his Real Estate Investment Accelerator, and helped create over 30 millionaires.

Over the past six years, the White Feather community has grown to 600 members who collectively manage \$1.2 billion in rental real estate. All this is orchestrated from Buddy's unique "Marine" corner office—a converted Tuff Shed in his backyard.

MIKE CALHOUN

Biography

Mike Calhoun is the visionary Founder and CEO of Board of Advisors, a global community that stands as a beacon for founders, entrepreneurs, CEOs, investors, marketers, e-commerce moguls, business developers, and high-level decision makers. With over 27 years of consecutive entrepreneurial ownership experience, Mike brings a wealth of knowledge and an extensive network to the table. Beyond his role as CEO, Mike is a seasoned advisor, owner, and investor in multiple companies and brands within the Board of Advisors ecosystem. His entrepreneurial journey has been marked by a relentless pursuit of innovation and a deep commitment to driving success.

Mike established this global community of wildly successful entrepreneurs with a clear mission in mind: to foster a collaborative environment where members competitively contribute to each other's growth through three key principles: "Solving problems, Sharing Strategies, and Shortening the Path". This ethos permeates every facet of the Board of Advisors experience.

Within this dynamic community, members freely share their most coveted resources, connections, and relationships, thanks to the intentional and nurturing "Family" like culture cultivated by Mike and his team.

Throughout his career, Mike has left an indelible mark on the business landscape, working with a diverse array of products, platforms, and services spanning from the USA to Australia. He has played a pivotal role in creating successful real-world brands and businesses that generate substantial revenues. One of Mike's most cherished mantras is "At BA ... Anything is Possible", a testament to the boundless opportunities that await within the Board of Advisors community.

In addition to his role at Board of Advisors, Mike is the driving force behind BizBlueprint, a global online business brand and company. Founded in 2010, BizBlueprint has evolved from a website company into a comprehensive digital design and marketing powerhouse.

DAME DORIA CORDOVA

Biography

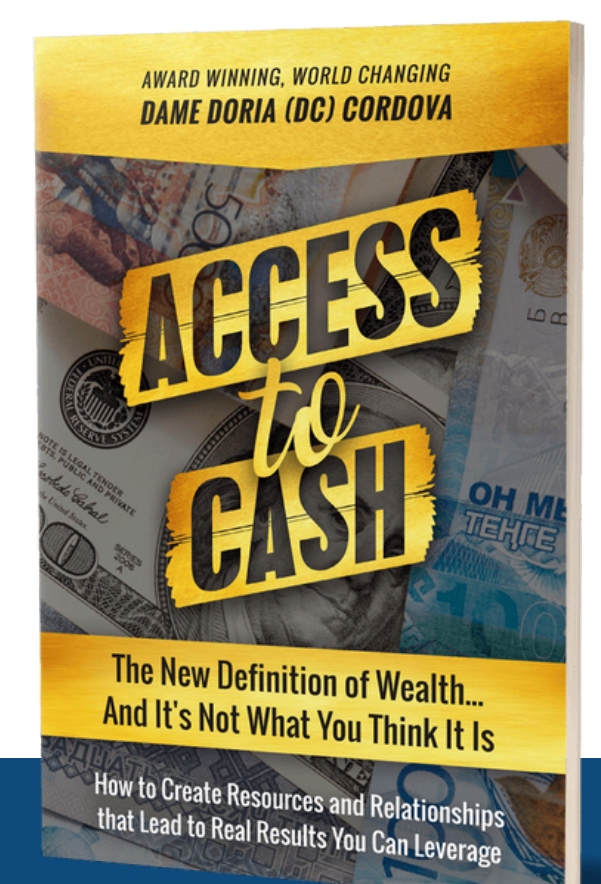

Dame Doria Cordova, the CEO and Owner of Excelled Business Schools® and Money & You®, is a visionary leader with a deep commitment to uplifting humanity's consciousness through socially-responsible businesses. With a wealth of experience and a global network of over 200,000 graduates from 85 countries, she has dedicated her life to teaching people how to create an Economic Engine around their Life Purpose.

Throughout her remarkable journey, Doria has been described as a "connector," seamlessly bringing together diverse and successful social entrepreneurs from around the world. She has played a significant role in transforming educational systems, eradicating hunger and poverty, and greening the world. Her extensive list of graduates includes influential figures such as Robert Kiyosaki, Tony Robbins, and Sharon Lechter, among others.

Doria's contributions extend beyond her teaching programs. She is a published author, having written the Money & You® Book Series, which imparts essential tools, techniques, and principles for financial and personal success. She has also been a contributor to numerous books, motivational films, television shows, and online platforms, sharing her expertise and insights with a global audience.

In response to the challenges posed by the global pandemic, Doria initiated the Fridays With Doria & Friends global platform, offering free teachings from experts to support entrepreneurs worldwide. With her unwavering dedication and determination, she continues to inspire positive change in individuals, businesses, and communities, firmly believing in the transformative power of socially-responsible entrepreneurship.

SOCIAL ENTREPRENEURSHIP

BRAD BLAZAR

Biography

The former CEO and founder of a successful oil company, Brad began his entrepreneurial journey at the age of 23. With a remarkable ability to build thriving teams, he quickly mastered the art of raising capital and utilizing Other People's Money (OPM) to create and build businesses and accumulate wealth. Now, Brad coaches and consults entrepreneurs worldwide on attracting High Net Worth (HNW) investor capital, establishing and launching funds, and leveraging OPM. As the founder of Capital School, he has built a rapidly growing global community of business owners, real estate investors and entrepreneurs honing these skills and raising capital for many different industries and projects.

In addition to his coaching role, Brad hosts "The Capital Catalyst Show" podcast, spotlighting entrepreneurs who've utilized OPM to scale their ventures and amass wealth. As the author of three influential books (all available on Amazon), he has made a global impact speaking on stages around the world alongside other notable leaders. Brad's days are dedicated to coaching, mentoring, recruiting, and business development - focused on helping individuals and leaders achieve personal, professional, and financial goals. He firmly believes in making others feel valued, offers perpetual learning, brings unwavering passion, and loves building strong networks. With a stellar sales management background, Brad's raised billions in capital and orchestrated major deals for renowned firms. His extensive network spans diverse investor channels (broker/dealers, RIA firms, and more) making him a valuable asset for those seeking broader distribution avenues.

Recently knighted into a Royal Order alongside others that have been recognized on meritorious honor like Toni Braxton, Paula Abdul, Ray Parker, Jr, Alec Stern and more - Sir Brad uses his noble title to bring awareness to causes he's passionate about.

KERRY TEPEDINO

Biography

Kerry Tepedino HHP, CCN, CST, is the #1 International Best Selling Author of the book, One Thought Away. She is also the Founder and CEO of the One Thought Away Project™, a global company and movement that has influenced more than 250,000+ people to transform their lives.

Kerry struggled with low self-esteem, a lack of self-worth and poor body image which spiraled into a personal battle with an eating disorder. This journey led her to a poignant and defining moment in her life where she got to make a decision to continue down a path of unhappiness and poor health, or find the freedom and happiness that her soul always craved.

Through deep study of personal development, leadership, holistic health, nutrition, Ayurveda, yoga, meditation, breath work & her relationship with God, Kerry created her powerful One Thought Away process, which helped her go from rock bottom to rock solid. She now is living a life that she never thought could be possible for her.

Her unique process includes mindset mastery, emotional intelligence, self love, and believing that with the proper mentorship, community and strategies... anything is possible.

She is a walking example that you are One Thought Away from having the life you want... or not, and is excited to support you to lock in the same understanding for your own life.

DAVEN MICHAELS

Biography

Daven Michaels embarked on his first entrepreneurial endeavor at the age of 15, designing clothing for local musicians. His natural talent for music industry fashion quickly propelled him to designing for some of the biggest bands of the 80s and 90s.

Seeking a new challenge, Daven started a communications company from scratch, expanding it to 60 U.S. cities within 5 years. After receiving buyout offers, he opted to exchange the business for equity in a public company. This move led to a substantial financial windfall and abundant opportunities. With newfound freedom, Daven rekindled his passion for music and entertainment. He became the leading electronic music event producer in the U.S., hosting events for thousands each night. This success transitioned into a prolific career as a recording artist and music/television producer, collaborating with some of the industry's biggest names. In the early 2000s, Daven seized the potential of online entrepreneurship, founding 123Employee. This outsourcing company, based in the Philippines, connected business owners with a global labor pool, providing affordable and flexible workforce solutions.

Despite having 1,000 employees across three continents, Daven designed systems to manage the entire business remotely with just a laptop and cell phone. Recognizing his passion for helping small business owners and entrepreneurs, he delved into public speaking, sharing stages with renowned business figures. His book "Outsource Smart" became a New York Times, Los Angeles Times, and Amazon #1 Best Seller. Daven established the Virtual Entrepreneurs Association, offering invaluable resources and support for entrepreneurs at all stages of their careers. For over 6 years, he has also been a prominent figure in the world of cryptocurrency as a Cryptopreneur & Investor. Currently, he serves as the Executive Chairman of CurrentC Group, a major power provider in the Crypto Mining industry, and heads Michaels Press, a boutique Publishing House based in the U.S.

COSIMO INTERMITE

Biography

Cosimo, hailing from Taranto and raised in Grottaglie in Southern Italy, has successfully combined personal growth with professional advancement. His transformative journey in the realm of brain training began seven years ago with the Genius in 21 Days course, which equipped him with invaluable techniques that have significantly enhanced his professional efficiency and ability to adapt to diverse job roles and language acquisition.

His commitment to mastering these skills led to him becoming a certified instructor at Genius in 21 Days in 2014. Cosimo's extensive knowledge covers a wide range of disciplines crucial for personal and professional growth including mind-maps, strategic reading, team building, and public speaking. His expertise extends to self-development, interpreting micro facial expressions, crafting effective communication strategies, setting achievable goals, and making strategic decisions. His skills and insights have also earned him a spot as a featured speaker at TedX events.

With a vision to impact a broader audience, Cosimo relocated to the U.S. and, together with his partner Stephanie, now directs the operations of the Denver, Colorado branch of Genius in 21 Days. Here, they focus on delivering specialized brain training to help others achieve their personal and professional objectives.
